01 BORACAY

Boracay is the capital beach of the Philippines with It's beautiful white sand.

EVERY SUMMER HAS A STORY

DAY 1

Don't have your diving license. Not to worry! Try out these cool underwater scooters that you can explore the beautiful reefs of Boracay.

Tour underwater and check out the amazing aquatic life in all its splendid glory.

DAY 2

One of the most popular water activities around the island and also great for every member of the family.

The Banana Boat is a great way for a group to have an exciting, speed induced ride off Boracay's white beach.

Enjoy the offshore island views and have some fun in the sun with a splash of the surf on the go.

DAY 3

Parasailing on Boracay is a great experience for a few adventure minded individuals.

This is a popular activity where riders can view the beautiful shoreline of white beach from above while being pulled by a boat.

This is a fun and exciting experience for those who love heights and want a birds eye view of the whole island.

02 CEBU

Cebu is the best place to visit in Philippines if your hobby is scuba diving.

DAY 4

Mantayupan Falls in Barili is the highest waterfall in Cebu and one of the most beautiful.

Set inside a natural amphitheater of trees, vines, and tropical plants, this is truly one of the most spectacular waterfalls in Cebu.

It can get quite busy on the week-ends for the entire day but visit on a morning during the weekday and you might just enjoy this waterfall all to yourself like us.

DAY 6

Kabutongan Falls trek is one of the most magical adventures on the island of Cebu.

The trail follows the blue waters of a narrow stream up the canyon until you reach Kabutongan Waterfall.

Here you will find a hidden cave behind the waterfall and several different cliff jumps.

DAY 5

Swimming with Whale Sharks is the number one attraction on Cebu. In Oslob, you can get in the water and witness these graceful giants swim by.

The Whale Sharks are fed plankton, which is how they can guarantee you will see the Whale Sharks

If you are looking for a great tour that includes swimming with the whale sharks then I think this is the best combo tour.

WHERE THE HEART SINGS

03 PUERTO PRINCESA

Puerto Princesa unique because It's a massive limestone caves and a underground river.

BE MESMERIZED

DAY 7

Visitors can take a short 15 minute boat ride or 2 hour hike from jump off point in the town of Sabang to get to the area where boats ferry passengers through the cave.

To cater to the high number of visitors, tours are now standardized, there's a strict queuing system and all guests are provided with audio devices in different languages explaining the history of the park and the various rock formations throughout the duration of the boat ride.

DAY 9

There are various dive sites around Palawan for divers and snorkelers. Before heading out to do island hopping tours, you can rent out snorkeling gear so you can enjoy the beach more.

Some beaches like Cowrie Island also offer water sports activities including jet skiing, kayaking, and parasailing.

Microtel is located right next to the Emerald Playa Beach and Nature Park, which happens to host a local kite surfing club of Palawan, so you can try kitesurfing if the wind conditions are right.

DAY 8

Another popular activity in Puerto Princesa is going on island hopping tours around Honda Bay located in the mid eastern coast of the city.

Aside from the islands, you can also head to resorts and beaches on the mainland of Puerto Princesa including Nagtabon and Talau-dyong Beach for swimming, day trips and picnics. Nagtabon Beach is a relatively uncrowded beach just 40 minutes away from Puerto Princesa City.
